

Ocean *in* Motion

A COLLABORATIVE PERFORMANCE
DANCE • MUSIC • SCIENCE

A COLLABORATIVE PERFORMANCE BY
BOSTON DANCE THEATER AND MUSICIANS
FROM WOODS HOLE OCEANOGRAPHIC INSTITUTION (WHOI)

Presented as part of the 2026 WHOI Science Stroll

Boston Dance Theater presents
a free excerpt from *Microplastics*.

Microplastics follows plastic from
deep Earth to ocean microplastics.

WHOI scientist-musicians explore
ocean dynamics through music.

Yanxu Chen performs "*Flowing Water*"
(*Liú Shuǐ*) on the guqin.

A sea shanty arranged for guqin
blends tradition and science.

Ideal for science lovers, art enthusiasts,
and ocean explorers.
